MINUTES OF THE 91ST ANNUAL GENERAL MEETING SUNDAY 25TH AUGUST 2019 AT AVOCA BEACH SLSC CLUBHOUSE

MEETING OPENED at 9.40am

In attendance

Garry Clarke, Sonya Walters, Julia Mitchell, Carolyn Booth, Brett Beswick, Andrew Duerden, Chris Tasker, David Parker, Wendy Norman, Cecely Norman, George Spencer, Karen Douglas, Adrian Deans, Reggie Probst, John Christoforou, Gary Hore, Bob Burns, Mick Kendal, Paul Kendal, Bobby Dorrell, Bob Cairncross, Roger Johnson, Nick Welch, Kimberly Santangelo, Mike Tamblyn, Nigel Ball, Craig Anderson, Alison Dorrell, Dan Ryan, Jim McAtamney, Dave O'Grady, Howard Jones, Damien Benson, Steven Jung, Murray Isles, Emma Benson, Larry Thorncroft.

Apologies

Sharon Brierty, Darren Clarke, Lindsay Cunningham, David Broadbent, Gordon Jones, Alan Moffitt, Pauline Priest, Wayne Clarke, John Macdonald, Matt Mitchell, Andy Hoban.

General Discussion

- Was asked if the club had any consultation/input into foreshore development. Central Coast Council did consult with ABSLSC and also numerous community consultation sessions.
- Apologies as the New IRB "Quentin Riley" launch postponed from this morning due to ongoing foreshore development and impact on surf club and front area. Launch will be rescheduled once foreshore development complete.
- Was asked if anything had been done regarding captain's office as discussed last AGM. Garry advised that grant application was in process for refurbishment of captain's office.

- Roger Johnson brought up the interest of commercial/volunteer capacity of ABSLSC. He mentioned that the club acknowledged contribution of paid positions so can we recognise volunteer positions within sunsets? He has suggested looking at opportunity for members to complete work experience in sunsets bistro and bar. They would require all necessary qualifications and this would reduce labour costs while giving members work experience. The incoming executive committee will investigate this further.

Garry Welcome Address

- Thank you life members, members past, present and deceased – observed moments silence in remembrance Marie Fuller, Shirley McLuckie, Virginia Leary, Shirley Kelly and Steve Reilly who passed away this year.
- Thank you to Gold sponsors - Reilly and Sons Food Services, Avoca Beach Bowling and Recreation Club/WRLC, Avoca Beach Dental, Besson Family, Central Coast Council, Chemist Outlet - Niels Bowen, Fortunity, Avoca Beach Ladies Auxiliary, Mark and Evette Moran, Olsson Family, Raine and Horne Avoca Beach and Terrigal, SLSA, Thompson Clarke Shipping, The Body Movement and CoastSport.
- Thank You to Silver sponsors – Ace Pest Control, Allcoast Concrete and Pump Hire, Avoca Beach Butchers, Avoca Beach Hotel and Resort, Exetel, Fred Rose Bathrooms, PAKS, Seamless Merchandising Matters, Central Coast Mechanical Repairs, Fourtree Lawyers, Light Culture, Richard Green Automotive, The Kiosk.
- Thank You to Bronze sponsors – Avoca Beach Medical Centre, Avoca Beach Seafoods, Dulux, Erina Fair, SignCo Erina, Sparked Events and Marketing Management, Gosford Golf Club, Ian Cairns, Kincumber Shopping Village, SLSCC.

Broady and Dog
1st Board Rescue NSW State Titles

Avoca Bum

Alex McIntyre

Amanda - Always smiling

Angela Veschetti

- Thank you to the Ladies Auxiliary for their help this year.
- Thank you to Dave and Fiona Broadbent for their time and effort coordinating the Annual report.
- Recognition to our Australian representatives – Keeley Booth and the Z Crew - Richard Brierty, Duke Brierty, Brad Mitchell, Dan Tamblin, Johnny Paterson in the Australian SLS Team. Also our members representing Kayaking Australia.
- Thank you to our paid employees of the club – Kylie in administration, Emma in accounts, Paul our F&B manager and the sunsets staff.
- Thank you to our executive committee for all their time and effort.
- Thank you to our Office Bearers for their assistance.
- Fees and Charges have increased slightly to keep in line with increased costs involved with the club. There has not been an increase in a few years and extra discount benefits for patrol hours will still be offered for eligible members.
- Thank you to Fortunity who complete our Audit report under SLSCC sponsorship agreement. They provide an extremely helpful and beneficial service to the club.
- The financial report shows a deficit, this will be discussed at length later in meeting.
- Sunsets Bistro is showing continued improvement. Sunsets have offered members over \$20,000 in member discounts this last year. Paul and team doing a great job- thank you.
- SLSCC reviewing all issues with Central Coast Council – this includes our DA's. Dealing with council is a slow process, but Garry is liaising with SLSCC and CCC to follow up.
- SLSNSW interested in implementing gym policy across all clubs to increase safety and procedures and ABSLSC will implement this policy on a trial basis before this is put in place across all clubs. To be discussed further with gym committee.

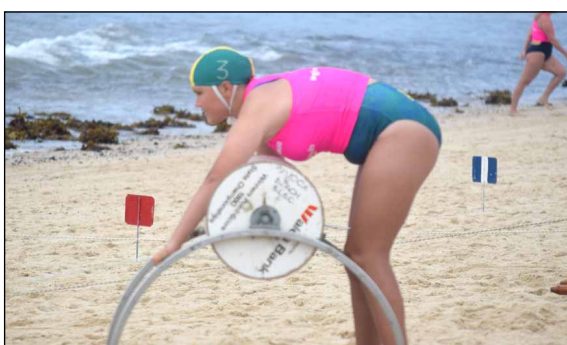

And up comes the tide

Ando and Janet patrolling the beach

Andrew Collins punching through the wave

Bring them home

- Foreshore development in progress and scheduled for completion mid/late October.
- Competition good results throughout season. Good results at Aussies in extremely challenging conditions, so well done to all competitors. Juniors performed well again this season winning branch and top placed Central Coast club at State Titles.
- Sharkies inclusive program won Council award and also had members compete at Junior State titles and win medals which was a fabulous achievement.
- Grant applications on offer and we need to focus on submitting proposals for these grants.
- Thank you to Craig Kelly for his ongoing assistance with maintenance of the club.
- Solar panels on roof have been installed through grant.
- Look at governance review to new constitution for next years AGM that will be in line with SLSCC, SLSNSW and SLSA common constitution. It is advantageous to introduce new constitution. Avoca Beach SLSC can add bylaws relevant and specific to our club in this new constitution. SLSCC employed people to assist with new constitution. The Executive committee will look at this and put to vote at next years AGM.

Approval of Minutes

The minutes were read from the previous AGM,
Moved by Gary Hore, Seconded by Damien Benson.

Business Arising

- Bob Burns questioned presentation of accounts. Instruct auditors that the Auditors report requires more extensive detailed report showing P&L for Sunsets/leases etc. Requested that director of finance have notes to accounts with detailed explanations for any significant changes. Sunsets should have separate financial/P&L report.
- Garry explained the deficits in our accounts opposed to last year with these being due to decrease in grants/ sponsorship etc. Garry reminded meeting that all members have access to financial reports.

MINUTES OF THE 91ST ANNUAL GENERAL MEETING cont.

• New Motion

Sunsets Bistro will have a separate P&L report presented to members every 6 months. An amendment that major business expenditures reportable on separate note of accounts.

Moved by Karen Douglas, Seconded by Dan Ryan.

• New Motion

The Auditors report have notes of accounts for any material items

Moved by Dan Ryan, Seconded by Gary Hore.

• New Motion

Budget figures be included in annual report

Moved by Dan Ryan, Seconded by John Christoforou.

Business Arriving Moved by Andrew Duerden, Seconded by Brett Beswick.

 Positions Nominations - as per above

Life Member Nomination

KAREN DOUGLAS nominated by Johnny Mitchell and seconded by Wendy Norman and Sharon Brierty. Numerous members spoke of Karen’s love of ABSLSC and the valuable contribution she has had on our club over 34 years and the positive female role model she is. Karen is an invaluable and integral asset to our club and we are very proud to accept her life member nomination
 Moved by Johnny Mitchell, Seconded by Wendy Norman. Karen’s life membership was put to vote and accepted unanimously. Congratulations to Karen. Voting slips destroyed after counting by non participating member.

General Business

- Mike Tamblyn is on organising committee for Anzac Day Service which falls on the Saturday at next Aussies. Competition will not start on this Saturday till after

1.30pm with Anzac Day services to be held on the beach in the morning. This will also mark 100 years of boats in SLS, 100 years of march past in SLS and 50 years of women in SLS.

- Grant allocation submitted for refurbishment of female and male toilets and showers downstairs. Discussion on whether or not to introduce timed showers or some method of controlling shower time to reduce hot water usage. Members present didn’t seem in favour of coins to monitor timed showers.
- Members would like to introduce the dongle for access to amenities downstairs instead of current keypad to reduce number of non-members using these toilets.
- Garry thanked everyone for their attendance and is looking forward to another successful season.

MEETING CLOSED 11.28am

AVOCA BEACH
SURF LIFESAVING CLUB

Avoca Beach surf life saving club 2019 - 2020 ANNUAL REPORT

PRESIDENT'S REPORT

Season 2019/2020 was a season like no other. The impact of Covid19 upon society in general was far reaching and unprecedented in its consequences. Surf Life Saving as with all parts of society responded swiftly and appropriately to the situation and implemented strategies and protocols to deal with the issues that were raised by the pandemic. This has led to many meetings by Zoom but certainly the executive has responded well.

I would like to take this opportunity to thank the members for their support in adhering to the changes and the level of shutdown that was implemented. As a group we were able to quickly implement government guidelines with very little flak from the membership. I also need to acknowledge the guidance and support of Central Coast Branch and State SLSC during this period.

The season was well patrolled for the period available and once again no lives were lost. A special mention to the Kernahan and Houghton patrols who performed over 20 rescues on a very treacherous day during the Christmas period. While Covid19 had a major influence on the season the impact of Bushfires throughout the Country also affected attendance on the beaches and tourism. Avoca Beach SLSC acknowledges the superb efforts of all volunteers in fighting the bushfires during this period.

Once again during the season our club was impacted by large swells and the likelihood of storm impact. Avoca Beach members quickly responded to the situation and sandbagged the club to lessen the expected damage. Luckily the surge did not meet the levels expected.

Thanks to Chris Tasker for his involvement in the executive and the input he has made to the building and function area of the club. Chris has been extremely proactive in this area bringing about innovation and results in a timely manner. It is also worthy to acknowledge the support of council in addressing issues related to the Surf Club. I have been impressed with Sean Cumming and Phil Cantillon in their approach to bring forward issues related to the maintenance of the club. Their ability to listen to

issues and modify their approach is a welcome progress in the Surf Club, Council relationship. We thank them for bringing forward the renewal of the external cladding and partnering in the repair of the Captain's Office.

The season also witnessed the opening of the foreshore redevelopment. Again, Council need to be acknowledged for the role they played in this and efforts of Council employees such as Harry Nour and Graham Jeffes who liaised constantly with the club to ensure as smooth a process as possible. Well done Central Coast Council. The club has also received strong support from councillor Jeff Sundstrom and State Member Adam Crouch along with Federal Member Lucy Wicks. The club appreciates the financial support and advice you have provided the club. We would like to thank Adam Crouch and the NSW Government for providing support of \$60,000 to help refurbish the clubs change rooms. We would also like to thank Craig Healy from Central Coast Council.

Avoca Beach SLSC continues strong links with fellow organisations within the community such as The Community Association, The Avoca Kayak Club, Avoca Board Riders and Avoca Rugby Club.

DHL and Surf Life Saving Australia continue to provide funds and support the club and Central Coast Branch through the leadership of Narelle Duggan and Jon Harkness. Stuart Harvey shows continued leadership in his role as Branch President. Brett Beswick deserves a special mention as he finishes a 10 year role as Director of Surf Life Saving in the Branch. His outstanding leadership and support have seen the Branch become a leader in the area of Life Saving.

Avoca Beach through sponsors support continues to provide members with free training courses to upskill in lifesaving. Special congratulations to Brett Beswick and Grace Jeffries, our Patrol Persons of the Year.

Commercial activities provide strong support for the maintenance and upkeep of the facility, but our sponsors input is invaluable in maintaining our programs to support members.

Declan Richardson

Nice smiles girls

Australia Day

Broady on the line for Board Rescue

Mark and Evette maintain their support for the Rocks to Rocks which was postponed due to Covid19. The Olsson Property group continue to support the 'Sharkies Program' and we thank them for this help. Wyong Leagues Group sponsorship allows us to maintain our education programs and assists with vital First Aid Equipment. Ongoing support as gold sponsors are The Body Movement and Coast Sport assisting our competitors. Nippers program continue to be supported by Avoca Dental and The Avoca Beach Hotel Resort. Thompson Clarke Shipping Pty Ltd are acknowledged for their contributions to the boating section. Light Culture has been fantastic in providing electrical items for the facility. The Pickles family have also been a great asset with their support of Avoca Beach SLSC. Fortunity, our auditors, continue their longtime support in financial matters, while The Besson family have maintained their support of our youth programs assisting with leadership camps, youth camps, training and resources. We acknowledge the contributions of our silver and bronze sponsors who are listed in the front of our report.

Our relationship with the kayak club is complimentary and we see the successes of this relationship with the outcomes of the participants of programs. Congratulations to Dylan Littlehales, Riley Fitzsimmons and Lachlan Tame for their selection in the Olympic Team for the second time. Cheers also to Fletcher Armstrong, Ella Beere and Fletcher Cunningham who gained selection in Australian Teams.

Without our commercial operations we would not be able to offer the programs and services we do. The team of Chris Tasker, Andrew Duerden, Matt Jones and Phil Nicolle have provided fantastic business knowledge to improve the overall operation. We also thank our employees Paul Ouradnik, Emma Denniss, Kylie Hoban and Jack Leary for ensuring the success of our operations.

Our skills in lifesaving continue to grow due to our efforts in surf sports. While a lot of competition was cancelled this year, we still achieved some commendable results. In the only Branch Carnival contest, Nippers, we achieved 1st place overall. Several Avoca Beach members were selected in The Branch Team who are highlighted in our report. A

special mention of Zoe Clarke who was successful in winning the Open Iron Woman at the Interbranch Carnival. At State we performed creditably once again with some good results as outlined in the report. Congratulations to Lachlan Jonquiere and Fletcher Armstrong on winning U19 Double Ski. Thanks to Damien Benson for his coordination of Surf Sports and the efforts of coaches throughout the club.

The executive team as usual provides the backup required to run this organisation. Matt in the area of finance has coordinated the budget and assisted with a business review of our financial operation. Sonya continues to ensure the administration is well served and is a great support for me. As mentioned previously Brett's efforts in lifesaving are fantastic and provides the club with much needed expertise in this area. John continues to reinvigorate the junior portfolio and has been well supported by Penny Crocker. Julia's continued efforts in sponsorship are valued and contribute to the effectiveness of our organisation.

Education is the base of lifesaving and Andrew has provided excellent leadership in this area once again. In instruction and assessing Jason Lauder, Joe Murray, Jeff Barnes, Sharon Brierty, Andrew Duerden and Garry Clarke provided this base. We welcomed back Trent McRae with his expertise in this area and appreciate his involvement once again.

I thank all members who have contributed to the shortened season and congratulate those who are acknowledged at Branch and State Levels with awards or nominations.

Fundraising again gave us much needed funds to operate. The Lizards were major supporters of the doorknock, once again coordinated by Nigel and Garry. Glenn and Keith organised a successful golf day with the assistance of Chris Tasker that was well supported, and we benefited once again from Wyong Leagues sponsorship.

The Ladies Auxiliary, led by Jan, have been continuing their efforts and are contributing towards a new IRB for the club. We had the sad occasion of the passing of our former Nipper and club member Jess Barnes who is fondly remembered for her contributions to the club and community.

Our Club Person of the Year, Chris Tasker and Lifesaver of the Year Brett Beswick, even though executive members, should be congratulated on their contributions to the club. Also, to Richard Green who has received The Presidents award, I pass on my thanks for the effort you have put in to both our club and Terrigal over the past season.

Dave Broadbent continues to provide much needed technical support for the club and his efforts in this area are invaluable. A special mention to Karen Douglas on her award of Life Membership, a just reward for many years of continued service. Karen is the backbone of the First Aid section of the club but contributes in a wide area of the club. It is a pity her presentation has been delayed by Covid19.

I thank all members who have contributed this season and congratulate those who are acknowledged at Branch and State Levels.

DIRECTOR OF ADMINISTRATION

As we come to the end of this season, who would have thought we would ever experience anything like Covid 19! Our thoughts are with all our members and their families as we navigate through this unique time. The Executive committee acknowledges that many members are facing hardship and challenges and we would like to offer our support to you all. We are truly blessed to live where we do and still have the opportunity to enjoy this beautiful place we live and be part of such a kind, caring and thoughtful community. While the impact of Covid 19 has been huge and touched us all, let's hope that these are once in a lifetime circumstances and when the world resets and we come through the other side of all this, we will all be a lot more grateful of just how lucky we are.

The extent of Covid 19 has been undeniably huge and touched us all on so many levels. Unfortunately we have seen the early end of our lifesaving season – impacting patrols and our competitors due to represent ABSLSC at the 2020 Australian Championships, who were unable to compete due to the Aussies being cancelled. This is such a huge disappointment for our competitors and coaches after all the hard work dedicated to training all season. While we adjust to the changes Covid 19 has presented, life still goes on, we make the most of a bad situation and move forward as best we can. The active, healthy lifestyle that Surf Life Saving affords many members has played a huge part in their lives during this time, not only so important for their fitness but also for their mental wellbeing.

While there are many thank you's, the most important is to all of our members who volunteer at Avoca Beach SLSC. We are so very appreciative of your contribution that is invaluable and makes our great club the heartbeat of the Avoca Beach community. There are so many roles played by our members, some big, some small but all so important and appreciated. To all those involved in patrols, fundraising, ladies auxiliary, juniors, competitors, coaches, officials, first aid, IRB crew and drivers and our Sponsors, your contribution to our club is crucial, so thank you.

Bronte Ayres on the board

Personally, there are a few thank you's that I couldn't miss.

- Kyles – thank you for everything you do for everyone any time. We are so thankful to have your support and you are such an asset to the club.
- Emma – thank you for keeping the club in order with all things \$\$\$\$, such a big job to manage.
- Paul and the Sunsets team – you have done a fantastic job building Sunsets into the success it is for the club, so thank you.
- Jack – what can you say but thank you, Jack is always there when you need him and we are so appreciative of everything you do for the club.
- The Executive Committee – Garry, Chris, Brett, Andrew, Jules, John, Bens and Matt. The time and effort you give ABSLSC is exceptional and I don't think anyone comprehends just how involved these positions are and how much work you put into these roles and the club. We are very fortunate to have an executive committee with so much expertise and knowledge to share across all sections of the club.
- Garry – your devotion to ABSLSC is inspiring! Special thanks to Anne for putting up with all you do for the club.

Also on a personal level, I would just like to pay tribute to Jess Barnes and her beautiful family - Jeff, Karin, Josh and Kennedy. They have been such an integral part of ABSLSC for 25 years and the tragic passing of Jess rocked our club and community. The Barnes' have played a huge part in not only my families lives, but so many families in Avoca – always so kind, caring and thoughtful and there for anyone, anytime. Jess was loved by so very many - her endless energy and enthusiasm for life, especially all things surf club, was captivating. I know Jess was a huge role model to my daughter Darci and many other young girls as they moved through the club, we have such fond memories of fabulous times together which we cherish dearly. Jess was an extraordinary young woman who touched so many people and such a credit to Jeff, Karin, Josh and Kennedy and we miss her everyday.

Director of Lifesaving - Brett Beswick with Elle Mitchell

Lochlan checking out where his competitors are

Matt takes the She Wolfs over the wave

It warms your heart to know we have such wonderful members contributing to make this club great. While this season won't be easily forgotten for numerous reasons, when we look back, what will stand out is the resilience of our fabulous members and how they united in such uncertain and challenging times to keep our community safe. Stay safe, well and healthy.

Cheers Boys and Girls

Sonya Walters, Director of Administration

DIRECTOR OF LIFESAVING

The 2019/2020 Season has come to a close, and not exactly the way any of us thought it would.

Covid 19 may have shortened our season and changed the way we interact in our day to day lives (at the moment anyway), but it shouldn't overshadow the amazing efforts by our volunteer lifesavers at Avoca Beach SLSC.

The season was progressing so well with some busy days around Christmas and a couple of good swell events that kept our lifesavers on their toes. Unfortunately, none of us saw the end of season progressing the way it did.

I would like to firstly thank all our members who volunteered in some capacity this season.

I would like to especially thank those members who gained 100% attendance. A great achievement and I'm sure your Patrol Captains are especially thankful for your service. Our life members who continue to patrol, thank you. You have all contributed so much over your years with the club and I can't thank you enough for your continued commitment to our great club.

We have again had great support from our club sponsors, and I would like to thank them all for their continued support, especially the lifesaving sponsors, Central Coast Council, SLSCC, SLSNSW, The Ladies Auxiliary, Richard Green Automotive, The Lizards, Avoca Beach Seafoods for feeding our patrol teams, and Avoca and Terrigal Medical Centres for their support in stocking our First Aid supplies.

To my Lifesaving Managers, Richard Green has done an amazing job in supporting the club in the servicing and maintenance of our IRBs, saving the club a lot of dollars in the process. Likewise Stuart Paterson for his assistance in keeping the gear rescue ready. Stuart Harvey for organising the IRB fuel each weekend, thank you guys. Murray Iles took on the Radio Officer role this season and has been invaluable in his role ensuring the radios are at 100% for our patrols. Karen Douglas has also been invaluable for our club in the provisions of First Aid gear and equipment. Karen has a tough year this year personally but she always keeps the club close at mind and ensured we had the gear we needed for patrols and the first aid room stocked. Thanks Karen again for all you have done this year and the last decade or more in support of the club. Both David O'Grady and Dan Ryan helped out as Vice Captain this year. Thanks guys for your support, appreciated the backup.

I can't thank our Patrol Captains enough for their efforts again this year. They are generally the first to arrive and the last to leave and ensure our patrols are managed effectively and providing the community the best service possible in keeping our beautiful beach safe for swimming. This year saw Joel Houghton step up into the Patrol Captain role after being my vice captain the last couple of years. It's great to have a younger member wanting to step up and take on a leadership role in the club. I would encourage any member wanting to take on such roles to speak to myself or Garry as we would be more than happy to help you reach your goals in lifesaving.

Christmas Day is always a tough day being a full volunteer patrol, particularly on a day where we are with family. The Club Executive and I are incredibly appreciative of those members taking time away from their families to help on Xmas day. This year we had Katy Allen, Paul Kendal, Phil Ayres, Holly Ayres, Brett Beswick, Michael Bowyer, Zoe Clarke, Don Cook, Kate Craik, Peter Craik, Paul Daley, Andrew Duerden, Jemma Duerden, Alice Laurence, Alan Moffitt, Deborah Morris, David O'Grady, Matt Parker,

Double power - Mitchell boys
Peter and Jack Mitchell

Mia Cracknell, Natalia Drobot and Pearl McQueen
1st U15 Female Board Relay State Titles

Mia Cracknell

Don Cook and Liza Whitfield

DIRECTOR OF LIFESAVING cont.

Pauline Priest, Stan Priestley, Jarrod Robertson, Nick Welch, Liza Whitfield, Ian Wiseman, Rocky Wolters, Emma Priestley, Miller Robertson and Jet Wolters. Thanks one and all.

With the seasoned shortened our statistics were obviously down although we still managed an impressive 98 rescues for the season. Just reflect on that for a second.... That's 98 people who potentially could have drowned if our members were not there keeping the community safe. Lifesaving is our core business...it's why we exist as a club. It's great that Surf Lifesaving offers so much to our members, but first and foremost we are a lifesaving club, not a gym, not a boat rowing or ski paddling club, a SURF LIFESAVING CLUB...Honour the memories of our past members who made this club what it is today by turning up for your rostered patrols, wearing the full uniform with pride and give back to your club that continues to give us as members everything. We are very fortunate to have to do around 35 hours in total for a season, or about 7-8 patrols a season. Think about our brothers at The Entrance who are doing 100+ hours each season with only 20 odd members.

This season we also did over 1250 preventative actions and over 6800 patrol hours.

Our First Aid cases were down this year, thankfully due to no massive bluebottle events like prior summers. Our First Aid room was stocked and maintained by Karen Douglas primarily, and I thank each member who assisted in keeping the First Aid room clean and tidy and picking up after yourselves.

Hopefully in the offseason we will see some long-awaited funding to refurbish the 'Captains Office'. The room has been in dire need of fixing after the big storm a few years ago and again with recent flooding. Hopefully this will be completed by season start next September.

Lastly, my thanks to our amazing Board of Directors. It takes a lot of time and energy to run a club like Avoca, and I thank you all for the time and effort you have put into our

club, to keep the club successful on and off the beach. Our members are blessed to have a strong financially stable club with great facilities. Thank you for what you all do day in, day out for Avoca Beach SLSC.

To our members, enjoy the offseason. Thank you again for volunteering your time to help keep our beach safe. I feel for all our competitors who trained so hard all year and didn't get to compete at the big show at Aussies. Hopefully the rest will serve you well and you will be back bigger and better next year.

Cheers Boys and Girls
Brett Beswick, Director of Lifesaving

DIRECTOR OF FINANCE

Assets

Asset register write off \$83,255 – decision made to clear a large number of historical items dating back to 2014.

Depreciation lower in 2020 compared with 2019 due to asset write offs.

Expenses

SLSCC Capitation of \$10k not included in 2020 financials – this will be reported in 2021.

Reduction in prize expenses due to the postponement of senior presentation night.

Extraordinary Item – COVID-19

Covid-19 affected Sunsets trading for March and April:

- Projected loss of revenue – \$90,000 (based on previous year trading)
- Jobkeeper Wages – \$63,000 paid in April
- Jobkeeper Government subsidy received in May \$54,000 (for April wages) – not reported in 2020 financials

Executive Committee's Report

Your executive committee members submit the financial report of the association for the financial year ended 30 April 2020.

EXECUTIVE COMMITTEE MEMBERS

The names of executive committee members as at the date of this report are:

- Garry Clarke President
- Julia Mitchell Vice President Special Events
- Chris Tasker Vice President House
- Sonya Walters Director of Administration
- Matt Jones Director of Finance
- Brett Beswick Director of Lifesaving
- Damien Benson Director of Competition
- John MacDonald Director of Youth Development
- Andrew Duerden Director of Education

PRINCIPAL ACTIVITIES

The principal activities of the association during the financial year were the operation of a surf life saving club, by providing a safe beach and aquatic environment for the local community, and facilitating Surf Life Saving Courses run by Surf Life Saving Central Coast Inc.

SIGNIFICANT CHANGES

No significant change in the nature of these activities occurred during the financial year.

OPERATING RESULT

The surplus from ordinary activities of the association for the financial after providing for income tax amounted to \$14,839 (deficit 2019: \$61,179).

Signed in accordance with a resolution of the Executive Members.

Matthew Jones
Dated: 14 August 2020

Independent Auditor's Declaration to the Members of Avoca Beach Surf Life Saving Club Incorporated

We hereby declare that to the best of our knowledge and belief during the year ended 30 April, 2020, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Australian Charities and Not-for-profits Commission Act 2012 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements for the Financial year ended 30 April 2020

1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009, the Australian Charities and Not-for-profits Commission Act 2012, the Charitable Fundraising Act 1991 and associated regulations. The committee has determined that the association is not a reporting entity.

Avoca Beach Surf Life Saving Club Incorporated is an association registered under the Associations Incorporations Act 2009 and domiciled in New South Wales.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

These are special purpose financial statements that have been prepared for the purpose of complying with the Australian Charities and Not-for-profits Commissions Act 2012 and associated regulations. The Executive Committee have determined that the accounting policies adopted are appropriate to meet the Saving Club Inc.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements'; AASB 107 'Statement of Cash Flows'; AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors'; AASB 1048 'Interpretations of Standards' as appropriate for not-for-profit oriented entities.

ACCOUNTING POLICIES

Revenue

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.

Sale of goods

Sale of goods revenue is recognised at the point of sale, which is when the customer takes receipt of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract. Amounts disclosed as revenue are net of sales returns and discounts.

Functions and Events

Revenue from functions and events are recognised once the event is held in the Club facilities and has met its obligations to provide a venue for the expressed purpose agreed with the parties. The accounting treatment of deferring functions and events revenue is an approach adopted for 30 April 2020 due to the impact of the health emergency on events booked by the Club.

Membership fees

Revenue from membership fees is recognised at time of receipt.

Grants and donations

Grant and donation income is recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Avoca Beach Surf Life Saving Club 2019 - 2020 ANNUAL REPORT

AVOCA BEACH SURF LIFE SAVING CLUB INCORPORATED

ABN 76 358 503 029

Notes to the Financial Statements for the Financial year ended 30 April 2020 cont.

1. Summary of Significant Accounting Policies cont.

Interest

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

Inventories

Inventories are measured at the lower of cost and net realisable value.

Plant and Equipment/Surf Patrol Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets is depreciated on a straight line or diminishing-value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease of the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Plant and Equipment	5 – 66%
Surf Patrol & Sports Equipment	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

Goods and Services Tax

Revenues, expenses and assets recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in other receivables or payables in the statement of financial position.

Income Tax

As the company is a charitable institution in the terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

10. Contingent Liabilities and Contingent Assets

The recent announcements by the World Health Organisation in regards to the global pandemic outbreak of COVID-19 and the response of the Australian and State Governments may materially affect the operations of the Company in the future financial periods. At the time of this report, the expected economic impact cannot be reliably measured.

Other than the matter disclosed above the Committee members are not aware of any significant contingent liabilities or contingent assets affecting the entity at reporting date.

11. Events after the Reporting Period

The Committee are not aware of any significant events since the end of the reporting period.

12. Disclosures under the NSW Charitable Fundraising Act 1991

Fundraising appeals conducted by the Club during the year led to a number of donations. Comparisons of certain monetary figures and percentages in accordance with the requirements of the NSW Charitable Fundraising Act 1991 are set out below.

AVOCA BEACH SURF LIFE SAVING CLUB INCORPORATED

ABN 76 358 503 029

Statement by Members of the Executive Committee

In the opinion of the Executive Committee:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the Associations Incorporations Act 2009 (NSW), the Australian Charities and Not-for-profits Commission Act 2012, the Charitable Fundraising Act 1991 and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2020 and of its performance for the financial year ended on that date;
- (iv) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;

- (v) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vi) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Treasurer

Dated: 14 August 2020

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AVOCA BEACH SURF LIFE SAVING CLUB INCORPORATED

Report on the Financial Report

OPINION

We have audited the accompanying financial report of Avoca Beach Surf Life Saving Club Incorporated (the Club), which comprises the statement of financial position as at 30 April 2020, statement of profit or loss and other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committee members' declaration.

In our opinion, the financial report Avoca Beach Surf Life Saving Club Incorporated is in accordance with the Australian Charities and Not-for-profits Commission Act 2012, including:

- (a) giving a true and fair view of the Club's financial position as at 30 April 2020 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013.
- (c) the Charitable Fundraising Act 1991, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
- (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
- (ii) Avoca Beach Surf Life Saving Club Incorporated is solvent, as it is able to pay its debts as and when they fall due.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the auditor independence requirements and ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

The financial report of Avoca Beach Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 30 April 2020, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AVOCA BEACH SURF LIFE SAVING CLUB INCORPORATED

Report on the Financial Report cont.

OPINION cont.

Other Information cont.

obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.

VICE PRESIDENT, SPECIAL EVENTS

There have been some testing times for everyone throughout this season and we have once again been reminded of the importance of Community. The Avoca Beach SLSC Community extends well beyond simply our Member base. We are fortunate to have many individuals, families and businesses who support us to function as a Club and ultimately serve the wider community. We could not perform at our best as a Club without the generous support of you, our Sponsors and Supporters. To each of you, thank you so very much for all of your support.

Thank you to Avoca Beach Bowling & Recreation Club (through Wyong Rugby League Club Group) for being committed supporters of our Club. We really do count on having your support each and every season and do not want to understate how important this is to us. Your backing is used to help us provide the best service we can to the Community, and for this we thank you greatly.

With such a large group of Nippers hitting the beach each week, we need all the help we can get! Avoca Beach Dental never hesitate to support our Nippers, and I am sure that the future will be strong thanks to your ongoing encouragement. Thank you so much to Ned and the team.

Throughout 2019/2020 we have continued our strong relationship with Reilly & Sons Food Services, with our Boat Section putting to great use the boats and equipment provided over the past seasons. The 'fleet' of Reilly & Sons boats are seen on the water every day over the season and your support has helped us get many more young rowers into the sport. Thanks to Aaron and Reilly & Sons for the ongoing support.

We are blessed to have continued backing from numerous families who are passionate about helping our Community in any way possible. While they would prefer to remain behind the scenes, we really must acknowledge them and their contributions. How this has helped to support lifesaving activities, the Sharkies Nipper program, development of our Youth and the running of the Moran Rocks to Rocks swim is immeasurable. So, to the Besson

Two out of three ain't bad

A fun weekend had by all

Family, the Olsson Family and Mark and Evette Moran, we thank you for your generosity. We were also lucky enough to receive a generous donation from an anonymous charity foundation who wanted to support our Nipper program. Thank you to all that made this happen.

Coast Sport Physio & Sports Medicine are always on the front foot with offering support for our Members. They are willing to help us in any way possible and provide us with a strong knowledge base to be able to pass onto our Members. Thank you to Matt and the team.

Thank you to loyal sponsors Raine & Horne who are always happy to work with us and provide support wherever they can. It is heartening to know that we have you on board and we really appreciate your shared passion for the Club and the Community. Thank you to Michael, Brett, Garth and the team.

On the topic of loyal sponsors, thanks must also go out to Avoca Beach Hotel & Resort. You are always willing to support us however possible, and it has been enjoyable to foster a mutually beneficial relationship with you over the years. We have continued with the Nipper encouragement awards and the open vouchers are a hit with our Members. Thank you to Emma and the team, it has been a pleasure.

Whether for beach bbq's, meat trays for raffling or produce for Club functions, Avoca Beach Butchers is always there to support us. Adam, you really do go above and beyond for us, I can't thank you enough.

This season we welcome George Brand, Copacabana to our supporters. Thank you for your generous donation to allow purchase of some Nipper boards for our very young paddlers. No doubt these will go a long way in helping these young kids to develop their paddling skills before heading into the bigger ranks.

Head over to The Body Movement gym on any day of the week and you will see many of our Club Members being put through their cross-training paces by Scott and the team. Thank you for providing the perfect environment for our Community to maintain a healthy lifestyle and get them ready to reach peak performance.

Jodi Livesley
Club Person of the Year

A great mother and son photo
Emma and Byron Benson

With a large Member base covering a wide age range, we are forever on the look out for clothing options to suit all. Seamless Merchandising Matters are on board to help and have been working with us for many years to supply all sorts of varied clothing, with some great results. Thank you to Jason, Andrew and the team for your support.

A benefit of having a large Member base is that we have Members with a wide array of expertise! Fortunately, many are happy to help and offer professional services where they can. This support is certainly not expected of you and we appreciate everything that you do. Thanks to Richard Green Automotive Services for your thorough work on the IRB's, Avoca Beach Medical Centre for first aid items, PMA Global for uniforms and clothing, PAKS for various products and Light Culture for support with lighting. Also thanks to Ace Pest Control, Thompson Clarke Shipping and Allcoast Concrete Pump Hire for supporting where you can. Special thanks to the beautiful Ladies Auxiliary for simply being you! You are forever dedicated to our Club and the Lifesaving movement. And for that we are forever dedicated to you – thank you!

Thank you also to Fortunity for your ongoing auditing and accounting assistance, Exetel for keeping us connected, The Kiosk for supporting our Competitors, Fred Rose Bathrooms for donating various goods and Central Coast Mechanical Repairs for tending to our never ending need of trailer repairs. We would also like to acknowledge the support of Central Coast Council, Surf Life Saving Australia and Surf Life Saving Central Coast.

The world is moved along, not only by the mighty shoves of its heroes, but also by the aggregate of the tiny pushes of each honest worker. ~ Helen Keller.

Julia Mitchell, Vice President

VICE PRESIDENT, HOUSE

During the past 12 months it has been a busy time at the Surf club with our in-house bistro Sunsets doing well until the Covid 19 Virus made life difficult for everyone concerned and caused the temporary shutdown of the club.

Rookies on patrol

Lochlan Jonquieres

During the past year we upgraded a significant amount of the kitchen equipment including a new stove, under bench fridges and many other items that made the kitchen run more efficiently and produce higher quality meals. I would like to thank everyone that has assisted, as well as all the staff who run the bar and kitchen for their efforts in extremely tough and uncertain times. Over the past summer, members have enjoyed sensational weather and many afternoons were spent having a cold beer or glass of wine or even one of the bar manager Paul's 'Moscow Mules' a cocktail with a kick out on our deck watching the procession of people coming and going from the beach here at Avoca.

When our lives were interrupted by the shutdown it gave us an opportunity to attend to many small jobs around the club that are expected, given the age of the building and the extreme conditions a building by the surf endures on a daily basis. As Vice President of house part of my role is attending to problems with the building and then delegating the work to our tradespeople or referring the issue to the Central Coast Council depending on what needs doing.

Central Coast Council are the landlords of Avoca Beach Surf Lifesaving Club and have been assisting us with some of the more major jobs around the building and are taking a more active role in maintaining this valuable asset for future generations, my thanks go out to Sean Cumming Council's Asset Manager who has been very helpful over the past year.

Grants are being secured for the upgrade of the captain's office and the downstairs bathrooms and these renovations should be completed in the next 12 months.

We are also aware that at bigger functions there have been significant queues at the club's bar, to resolve this is not easy, as it involves a redesign of the existing bar at a great cost to the club, something we may be able to look at when we are back trading in better times, your patience is appreciated as our well trained staff are doing what they can with an older style beer delivery system.

As this is my first year as Vice President, I want to thank everyone for their support during a year that has been challenging.

Chris Tasker, Vice President

Jim McAtamney - Life Member

Holly, Emily and Ellie

SUNSETS BISTRO REPORT

The 2019/2020 season has been a year of continued growth and improvement for Sunsets' quality and service. The loss of two large functions in late March due to the Covid 19 virus and the closure of dine in service throughout April had an affect on our final numbers. In spite of these setbacks, Sunsets Bistro has finished off this year in a better position than it has in the previous years of operation.

We have been able to maintain much of the same service staff over the last few years and this has enabled us to cross train staff in the kitchen, floor and bar service. This has provided the team with a greater understanding of the different facets of the business, as well as improving their skills and service. Guests appreciate seeing a familiar face behind the bar and we have been able to increase our number of regular clientele that stop in for a chat. The Club has graciously signed on to the Job Keeper program which has enabled Sunsets to utilise the labour to make improvements to our equipment. A deep clean of the kitchen, bar, patio, hall and store rooms was a great place to start. The team also sanded back all of the wooden tables to bare wood and painted a solid clear finish to improve their appearance. The kitchen walls and ceiling, black table bases and large white round tables were also painted. We are currently utilising the opportunity to train up several staff that have recently acquired their RSA, clean the gym and do other jobs for the Club.

Over the year we have had the pleasure of working with the new Vice President, Chris Tasker, and he has played a vital role in making improvements to the operations of Sunsets Bistro. Chris has a lot of connections within the community and has been able to procure new equipment for the office, kitchen and bar at reduced costs. He has also provided us with local tradesman to fix any of the issues that tend to pop up in an aging and heavily utilised building. Work has been done by generous Club members to improve the lighting system, stereo amplifiers and floor tiles. We look forward to making continued improvements to the Club and the equipment required for Sunsets' service.

David O'Grady - Master of the Year

The Shovels are in action...

The overall trade for Sunsets Bistro has been similar to the previous year, but we have made improvements to run more efficiently and increase profitability. The executive sub-committee has provided crucial insight into making these improvements and we are grateful for their continued guidance. Sunsets catering income has increased significantly and we are reconfiguring our menu packaging to increase the profitability of our functions for both food and beverages. We will be incorporating a bottles and cans bar on the patio by the Club room to help alleviate the lines at the bar for future large functions. The member discount totals have increased slightly and we will continue to work toward increasing our member incentives and events.

Thank you for the opportunity to work with such an active and inspiring Surf Club and we look forward to creating memorable experiences for everyone that stops in at Sunsets Bistro.

Cheers, Paul Ouradnik, Mr. Sunsets

DIRECTOR OF COMPETITION

Another season passing so quickly!

Congratulations to all competitors on their dedication to training and racing.

Thank you to everyone who contributed with the carnival preparation - tents, gear trailers etc.

Big thanks to Trevor Tame for ensuring the gear trailers are road worthy every year, your time is greatly appreciated.

Thank you to all coaches and trainers across all sections of surf sports.

A big thank you to our officials and IRB drivers. Without these volunteers the competitors would not be racing.

Thank you to our officials Chris Gathercole, Bev Seers, Nikki Beere, Ken Sellers (The Entrance), Andy Hoban and Mike Tamblyn.

Thank you to our IRB drivers and crew Danny Jeffries, Brett Giles, Paul Kendal and Stan Priestley.

Damien Benson, Director of Competition

Nigel Ball and Nick Welch

...sandbagging AGAIN!

DIRECTOR OF EDUCATION

Again we have had a busy year delivering training courses to new and old members alike. Our dedicated team of trainers and assessors has also grown thanks to Trent McRae returning to the club as a qualified trainer for Bronze, ART and First Aid. It was also great to see Joe Murray and Jason Lauder complete their mentor programs. I'd like to take this opportunity to thank Craig Anderson, Jeff Barnes, Sharon Brierty, Garry Clarke, Joe Murray, Jason Lauder and Trent McRae for their ongoing commitment to providing quality training services to our members. I'd also like to thank Samantha Jeffries and Kylie Hoban for their ongoing support behind the scenes.

This year we ran a very large SRC course and 17 nippers attained their SRC and Radio certifications. Two Bronze Squads also underwent their training although the second training squad had to be put on hold because of the Covid-19 quarantine. Even so 11 members attained their Bronze award. We also had 15 members complete their First Aid award.

All current patrol members successfully completed their Bronze requalification assessment, as did IRB Drivers, IRB Crew and ART holders. Next year we hope to focus more on IRB awards.

Andrew Duerden, Director of Education

LADIES AUXILIARY REPORT

Here we are once again with not too much to report for the past season. Sponsors have become a big part of our club with their very generous donations.

Fund Raising

1. The 'Karaoke Night' organised by our Social Committee (Jan Hoban, Karen Duerden, Sue Lewis, Jan King, Jacqui Thurlow and Wendy Norman) was a great success and enjoyed by all those who attended and performed.

\$556.75 was raised and the proceeds will go to the purchase of a new IRB, sponsored by us for club use only. It was disappointing that more club members did not support the night.

Show us your muscles

They made it

Thank you to all the local and Avoca Beach Business Houses who generously supported the night by donating prizes/gift vouchers etc.

The 'grazing table' provided by the committee and members was delicious.

2. The Australia Day Lamington Stall was very successful with \$710 raised. Thank you to all the members who helped out on the day.

Monthly Friday Lunches

These were going great and were well attended until Covid 19 hit. We will continue again once restrictions have been lifted. Please keep your dates.

Thank You

Thank you to our very dedicated patrol members who unselfishly volunteer their services every season to keep Avoca Beach safe. We express our sincere gratitude.

To all our competitors, nippers, juniors, seniors and masters for your efforts representing Avoca Beach at Club, Branch and State Carnivals.

To Fiona and Dave Broadbent for compiling and presenting a great Annual Report. You both do our club proud. We would like to receive printed copies distributed before and after the senior AGM.

President Jan Gee and the committee would like to thank all our members for their continued help during the past season. Our monthly meetings were very well attended and at times very entertaining. Especially the small celebrations and chats following each meeting. Well done girls...even those of us who are a little 'older'.

Thank you to Graham Love for photos and Lisa and Wendy for Emails and Newsletters.

We look forward to supporting our club in the coming season and we are especially looking forward to receiving the purchase confirmation of the new IRB.

Notice for 2020/2021 Season Ladies Auxiliary AGM

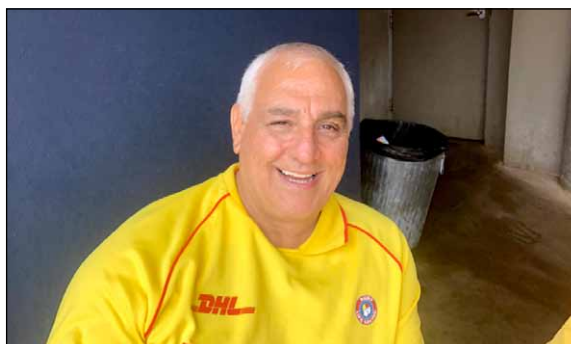

The AGM will be held Sunday 13th September 2020 at 10:30am at Surf Club.

See you all next season. Cheers Girls and Boys

Ces Norman, Hon. Secretary Ladies Auxiliary

The Women's A Crew

Our Grants Guru John Christoforou

BOARD REPORT

Last year the Annual Report for the Avoca Board Team started with me saying that such reports are “strange things” that reflect on a year in the life of a sporting group. This year the report is more than a strange thing, it’s a reflection on a strange year; one that included interruptions to training and racing due to smoke haze and poor water quality before being hit by the unexpected lockdown of just about everything we take for granted.

As I currently sit here in isolation wondering what is going to happen next, I realise firstly that this will pass and secondly that time is not linear and what seems long now will soon be otherwise. In this silence it allows me to reflect on the year that has been, one where there has been success, disappointment and everything in between.

Our season started in the middle of 2019 with late afternoon training sessions where frozen toes and minds were the norm. Not long after the water became warmer our training numbers grew, and everyone was in the swing of the season. Prior to the Christmas break we were slowed down by the smoke haze from the bush fires. At this time, however, we had several of our team selected to represent the Central Coast at the Interbranch Championships. Congratulations to Natalia Drobot, Mia Cracknell, Holly Ayres, Zoe Clarke, Ellie Richardson and Byron Benson for their selections. Congratulations also to Emily Benson and Bronte Ayres for their selection into other interbranch teams as draft selections. The racing during these carnivals goes a long way into developing the high performing athletes that we have.

Congratulations also to Mia Cracknell and Natalia Drobot who were selected to represent NSW at the Interstate Championships in Queensland in early January. Not only was Mia selected as a team member, she was also team captain which is an honour not only bestowed to her for her competitive prowess but also her ability as a leader to bring people together with her dry humour and hunger to succeed.

As the season wore on, the Branch Championships were cancelled not once but twice due to poor water quality.

Phil Ayres

Zoe Clarke and Piper-Lily Walker

Rookies proudly holding our flag

Ella Parker

kept on with training and reassuring the team that “It’s OK, the State and Aussies are not too far away. By the time they come around you’ll be flying.” At this time, it was hard to get into the water so the kids kept fit by swimming in the pool, running and doing gym sessions.

With the State Titles not far away we started to prepare everyone as best we could and on day one of the Championships the Under 15 girls board relay team of Natalia Drobot, Pearl McQueen and Mia Cracknell won in convincing fashion. As defending champions this was a race the girls were keen to win and use as a springboard into great results for the rest of the carnival. Natalia led the race off and as expected, was on the lead wave. She then tagged Pearl who despite her nerves remained calm under pressure and broke away from her competitors before allowing Mia to float around the course and walk over the line all without breaking into a sweat. Watching the excitement on the girls faces as they congratulated each other and at the same time they humbly accepted their win was an absolute highlight of the weekend.

Other highlights of the weekend were watching Bronte Ayres grow in immense confidence to make the Under 17 board final and finish mid field and witnessing the never give up attitude of Zoe Clarke as she finished 3rd in the Open board and come ever so close to winning a medal in the Under 19 board race (all in the space of about 10 minutes).

The remainder of the carnival saw personal goals achieved for many and frustration bubble into disappointment as some of our competitors did not get to where they hoped to. The nature of surf is that it always keeps us coming back for more and I hope that the frustration builds into desire to come back and have another season of racing. Although our team is small, we have a great group of kids and it’s an absolute pleasure to be involved in a small part of their lives. Training is more than going out to paddle. It’s about the fun before and after a session, the hilarious stories of teenage life, the tips for school, getting driver’s licences and hanging out in the Captain’s Office eating as much junk food as humanly possible.

Thanks again to all our parents and supporters. Time in our busy worlds is not easy to give. Your selflessness is greatly appreciated in getting the kids to where they need to be. Special thanks to Damien Benson for his continued support when training and at carnivals that helps hold the team together.

As our season ends quicker than we anticipated, enjoy the quiet and gloss over the unimportant for when we are able to walk in the world again, let's do so with fresh and grateful eyes.

Jackson English, Board Captain

SKI REPORT

Well what a season we have had this year beginning with drought, bushfires, floods and then everything was turned upside down with the Covid 19 pandemic which brought about the end of all sport competition.

We only ended up with two competitions this season being the Freshwater Carnival and State at Swansea and Avoca ski paddlers performed outstandingly at these two events.

This year the tables have turned on the boys and we have over a dozen young, up and coming young girls paddling and training on skis every week to give the boys a fair bit of competition. The start of the season kicked off with a very strong training schedule with all the senior and junior athletes working together to gain maximum fitness and competitiveness - even Jack Mitchell came out of retirement.

None of these young paddlers could have been achieving and producing great results without the dedicated coaches and trainers, who give up countless hours writing programs, standing on the beach and out in the water coaching in all types of weather, to ensure that all the competitors are given every chance of success. So once again to Richard Brierty, Matt Jones, Norbs and Gordo a very big thanks from us all.

COMPETITION RESULTS

Freshwater Carnival

The Freshie carnival kicked off the competition well for our ski competitors this year with some great results with the three girls, Ella, Zoe and Holly 5th in the open female

Perfectly in sync Ella and Holly

Winners are grinners

Looking good A Crew

Santa with the Kendal kids

ski relay, then with Holly and Ella in the open single ski final where Ella claimed silver medal. Jack, Alex and Pete raced in the single ski final with Pete claiming the bronze medal. Jack, Pete and Alex were 4th in the relay. In the double ski Pete and Jack were 4th and Ella and Holly came in 6th. The mixed double was an Avoca triumph with Jack and Ella claiming gold and Pete and Holly the silver.

This carnival is a great fun carnival with very tough competition with all competitors testing each other before upcoming State and Aussies so a great effort by all

State Carnival

State was again contested this year at Swansea Belmont in good surf to highlight all our competitors' skills and fitness. Owing to the fact that this carnival was held during the lead up to the major sprint kayaking Olympic selection event a number of our athletes were not able to attend.

With our depleted numbers our club did amazingly well with the open competitors Jack Mitchell, Pete Mitchell, Locy Jonquieres, Fletcher Armstrong, Riley Seers and Holly Ayres all competing through to their respective heats, semis and finals of the single and double ski events. Jack and Pete continued through to the final of the open ski then with Fletcher teamed up for a 6th in the ski relay. Fletcher claimed a silver in the U19 single ski and a gold medal with Locy Jonquieres in the U19 double ski while Holly claimed a 6th in the U17 single ski.

Once again, the entire Ski Squad performed outstandingly against the best in the country and it is fantastic to see a whole new squad of twelve to fifteen young ski paddlers rising up through the ranks, being put through their paces by coaches Ella, Richard and Norbs every Sunday morning to make our future in Avoca's ski squad secure for the future. Thanks to the guys who did water safety, towed craft - we say a big thank you for your efforts and the events wouldn't be able to take place without your help and time, and anybody else who spent many hours handling craft for competitors, putting up and removing tents and shifting craft back and forth to the compound and around the beach, to make it easier for our competitors, we all thank you.

SKI REPORT cont.

A Big thanks to all the official's tireless effort in organising the whole team by putting in the entries, teams, organising gear, club venues and the other one hundred and one different things to be done to ensure that everything runs like clockwork. We could not function without your input.

The supporting crowd of Avoca members at the finish line for the finals made these wins and places at all of our carnival finals, even more memorable and shows the camaraderie of our club is above all others. Especially the team cheer's boys at the finish line of the ski relay.

Trevor Tame, Craft Captain

BOAT REPORT

The season was off to a great start for the Boat Section, looking like we were back to our heyday with up to 13 crews on the water! The best part being we had lots of keen young rowers and some familiar faces returning. As the months went on, some rowers ventured away, which left our U23 Women (JOTO's) and Masters Women (The Zodiacs) without full crews. We also had two U19 Male crews (Not Behd and Mitch's Boys) who spent the season working on their skills, and now have their sights set on next year. Though cut short, we had 3 crews leading the Streets Series: U19 Women (She Wolves), U23 Men (Wolf Pack) and Masters Men (The Tails). We also had 3 crews representing Central Coast at the Inter-Branch carnival: U19 Women (She Wolves), U23 Men (Wolf Pack) and Open Men (Red Lights). Well done guys!

Open Women 'Zenith': Ellie Malone, Kaitlyn Matuschka, Kate Broadhurst, Julia Mitchell, sweep Andrew Collins.

Andrew (Cocko) Collins was welcomed back with open arms after a stint in China, and gladly took his place sweeping the Open Women (Zenith). Wow, an epic season with fabulous sunrises and some lovely moonlit rows too. Cocko cannot say enough of these 4 ladies, the right blend of youth and experience. Trained the house down, did everything asked and made it a most enjoyable season of

ups and downs. An injury to a vital crew member saw them contemplate the unthinkable, but like true champions, they showed the tenacity and resilience to deliver results at the right time of the year, with semi-final appearances at ASRL and State. There is little doubt these ladies were fast and posed significant threat to any competing crew. Plans are in place for another season and they can hardly wait.

Open Men 'Red Lights': Dave Bryant, Mitch Renouf, Sanden Hayes, Jack Renouf, sweep Andrew Collins.

The Open Men (Red Lights) were progressing through the season well, though had to change their approach halfway through with the loss of a crew member (Joel Houghton), a seat change, and Mitch swapping his sweep oar for a rowing oar! Cocko took over sweeping the boys, which was a difficult task with a different boat and different rowing style. They found their rhythm at various times throughout the season, deciding to stay in Open Men to represent the Club and build for next season.

U19 Women 'She Wolves': Claudia Miccio, Elle Mitchell, Rylee Richards, Anna Hayes, sweep Matt Mitchell.

The She Wolves are full of enthusiasm and were super keen for their first season rowing. With their great attitude, they really competed well and overcame some fears in the surf along the way. They have progressed so much this season, keep it up girls so you can hit the ground running next season!

U23 Men 'Wolf Pack': Finn Mitchell, Jesse Byrne, Jakob Van Der Bruggen, Tyler Park, sweep Matt Mitchell.

The Wolf Pack have had a bad run of luck, with most of their competitive seasons aligning with cancelled Aussie titles. However, they really stepped up in maturity this season and helped out a lot with gear maintenance and carnival set-up. Stick with it boys, the tide will turn soon.

Masters Men 'The Tails': Steve Sharpe, Stan Priestley, Paul Kendal, Graham Settree, sweep Matt Mitchell.

Matty also swept the ever-reliable Masters Men (The Tails) at carnivals. The boys are great to have around and go about their training and racing with no fuss. You are an

Peas, Andy and Rosco

Happy little vegemites

The She Wolves

Phew that was a hard race

inspiration to us all Tails, congratulations on your SILVER medal at the State Titles!

U19 Women 'Vagabonds': Willa Harvey, Izzy Miccio, Ivy Garrick, Elisabeth Hayes, sweep Mitch Renouf.

Mitch invested everything he had into his U19 Women (The Vagabonds), being their final year in this division. The Vaga's had a disjointed start to the season with HSC, schoolies and a new rower slotting in. Though as the pointy end of the season was approaching, they hit their straps, regained their boat speed and made the semi's at ASRL and State. You have put in so much work over the past few seasons girls, keep the fire burning and you will have plenty more rowing ahead of you.

Thanks must go out to those sweeps who spend countless hours training our crews, though never actually jumping in the boat to compete. Johnny Patto put in huge amounts of time training up the She Wolves. Pete Wallace is the number one man for training of The Tails. Shaz Brierty was on hand for a little technique work with Zenith. George Raley was out there rallying some boys to try and get an U23 Male and Reserve Male crew on the start line. Bill Mitchell ended up sweeping an U23 male crew at State, including his son Ben. And a final, enormous thank you to those Officials who dedicate their time at carnivals (and beyond) to help us be able to race. It is an absolute pleasure to have you with us at carnivals, we are extremely lucky. So to Mike Tamblyn, Andy Hoban, Kev and Maree Bootle, and Ross Tait, we are forever indebted. Thank you all, we couldn't do it without you!

Thanks everyone for a fun, albeit short season. Next season we're on. Full fleet on the water. Crews in every division. And perhaps a few cheeky Aussie medals to boot.

Success is a journey, not a destination. The doing is often more important than the outcome. ~ Arthur Ashe

Julia Mitchell, Boat Captain

MASTERS REPORT

Now, that was a totally different year to our normal surf lifesaving year. A pandemic named Covid 19 hit our shores in early 2020 causing havoc to all forms of normal life as we know it. Surf Lifesaving being no exception. Both the Branch and Australian titles were cancelled due to storms (Branch) and eventually the Pandemic. This left the NSW State titles plus the Coolangatta Gold as our only serious Masters contests for the year.

Coolangatta Gold

A great two day event kicked off our season with perfect conditions on the Gold Coast. A great weekend was had by all as we opened the 19/20 Masters Competition calendar. With the support of an old Avoca Masters legend (Paul Lemmon in the swim) we were able to finally win the 190+ Men's Masters Title. Congratulations to Paul Chadwick (23km ski section) in his first hit-out in this endurance event.

1st 190+ Long Course - Jeffrey Smith, Paul Lemmon, David O'Grady, Paul Chadwick

Two teams were entered in the Short Course competition which was run on the Saturday. Results are as follows:

1st 190+ Short Course Mixed - David O'Grady, David Broadbent, Rod Hulls, Terene Black

5th 190+ Short Course Male - Jeffrey Smith, Mark Felton, Jim McAtamney, Steve Hudson

State Titles, Swansea Belmont

The State titles were the only other Masters competition that was able to be completed in this shortened pandemic year. A special mention to David Broadbent, David O'Grady, Mark Felton and Boaties - Paul Kendal, Stan Priestley, Graham Settree and Steve Sharpe. All seven are champion competitors who regularly compete for Avoca. They were our only representatives at State this year. Their efforts were outstanding and the competitors deserve special recognition for delivering a swag of medals.

David Broadbent, David O'Grady, Mark Felton

MASTERS REPORT cont.

State Titles, Swansea Belmont cont.

Results included:

1st 55-59 Male Board Race - David O'Grady

1st 170+ Male Taplin Relay - David O'Grady, David Broadbent, Mark Felton

2nd 170+ Male Board Relay - David O'Grady, David Broadbent, Mark Felton

1st 50 - 54 Male Board Rescue - David O'Grady, David Broadbent

2nd 180 Year Male Surf Boat - Paul Kendal, Stan Priestley, Graham Settree, Steve Sharpe

World Titles, Riccione, Italy

Scheduled for September 2020, the titles have been postponed to September 2022. Those interested in attending should contact the Masters Captain to be added to the World's email information list.

Finally, all our continued prayers and best wishes to Quentin Riley as he continues his recovery. Our thoughts are with him and his family.

Please be safe and follow social distancing guidelines. Hopefully 2021 will be a more normal year.

Until next years, cheers boys and girls.

Jeffrey Smith, Master's Captain

GYM REPORT

The gym membership this year has continued to grow and attendees have trained at hours to suit their lifestyle.

Gym enhancements during this period have included dumbbell set and exercise balls. Also during this period an equipment audit has been undertaken.

The Covid 19 virus although severely disrupting training times has presented opportunities to identify, enhance and rectify gym operational management policy and procedures. Policy and procedures will need to be updated when normal gym operations are resumed.

Ray Shephard

Emily Benson

Special thanks to a small team of volunteers who provide advice, mechanical and maintenance expertise and the ongoing upkeep of the gym facilities without which the gym would not be able to function continuously.

Further building works and equipment upgrade are planned requiring management support for the coming year to meet gym user needs and expectation and OH&S requirements.

Colin Tipney, Gym Manager

POOL RESCUE REPORT

Our small but keen teams in juniors and seniors spent many cold afternoons training for the winter pool rescue season. The highlights being top 10 finishes for both juniors and seniors in the NSW Championships and the selection of our coaches Keeley Booth in the NSW team and Skye O'Mara being drafted as part of the South Australian team for the SLSA Interstate Championships.

The season commenced with the SLSCC Pool Rescue Challenge in September and then the SLSNSW Pool Rescue Championships at Woy Woy in July and SLSA Aussies in August.

Whilst our medals were limited, we had many top six finishes assisting with our overall pointscore. The juniors saw individual medals to Mia Cracknell bronze in the U14 Manikin Carry and Natalia Drobot bronze in the 50m with fins along with multiple top six finishes to Mia Cracknell, Natalia Drobot, Jackson O'Mara and Bronte Ayres. Teams event medals featured silver to Tilly, Mia, Natalia and Emma Priestley in the Manikin Relay and bronze to Mia, Bronte, Natalia and Emma in the Medley Relay with Bronte and Grace Jeffries combining to take silver in the U15 Line Throw.

In the opens lots of points and top four - six finishes for Skye, Ellie, Holly and Jamie and a fantastic swim by Ellie saw her take silver in the U17 Super Lifesaver.

Only a small team headed by Keeley Booth with Skye, Jackson, Katie O'Mara and Mia Cracknell headed to the SLSA Championships on the Gold Coast in August.

Keen and ready to race for that flag

Ashleigh Eurell, Tasha Hunter, Isabella Naylor, Emma Priestley, Jenna Styant

U17 - 5 Person R&R Team - 2nd NSW State Titles

It was a huge three days of competition with our small team achieving PB's and many top six finishes.

Our thanks to our two coaches, along with parents and siblings that assisted in timekeeping and pool setting for State and Aussies.

Whilst there is no Pool Rescue event in 2020 due to Covid 19 members from U12 to Masters are encouraged to join the swim in 2021. Thank you to our Club for your ongoing support.

Tony O'Mara, Team Manager

VALE

Jessica Kate Priscilla Barnes

12/11/1991 – 5/1/2020

On the 4th January, 2020, Jessica was tragically killed in an accident at her home in Avoca Beach. Jessica was the much loved daughter of Jeffrey and Karin Barnes, sister to Joshua and mother to Kennedy Jay. She was 28 years old. Jessica was a member of Avoca Beach Surf Club since she was five years

old. She competed for her beloved club at State and Australian Titles at Junior and Senior levels. Jessica was a coach and mentor for the Nippers for many years. Jessica was also a member of Kincumber Pacific Dolphins and Club Captain. Jessica went to school at Holy Cross Primary and St. Josephs Catholic College completing her HSC, going on to university and then travelling. She worked as a flight attendant for Jetstar and Tiger Air and was a Ski Instructor at Perisher Valley. Jessica became a mum in 2016, one of her greatest achievements. From the age of 16, Jessica developed anorexia nervosa and suffered other mental health problems. She battled these for much of her adult life. Jessica's legacy will live on in her beautiful daughter Kennedy Jay who is already a very popular little girl with the Avoca Beach community. We thank our beloved club members and the wider community for the love and support shown to our family during the last few months. The support shown to our family will never be forgotten and is true testament to the great community that Jessica was always supported by and part of and who will continue to support our family and Kennedy Jay as she grows up. Jessica's motto was "everything happens for a reason".

JUNIOR ACTIVITIES 2019/2020

Thank you to all the parents and kids for making 2019 another amazing season at Avoca Beach SLSC. We had over 380 plus juniors/youth registered who all thoroughly enjoyed themselves.

Twenty U14 Rookies passed their SRC and joined patrols on our beach.

Twenty one U15's spent the season patrolling, providing water safety and competing for the club. They are all set to start their Bronze Medallions in September 2020 and will continue to be a tremendous asset.

Eighteen U17's were awarded their Bronze Medallions at the beginning of the season. Adding to the ten U17's that re-qualified. All patrolling members for Avoca Beach SLSC.

We have over 60% of our Nippers membership in the Under 6, 7, 8 and 9's so tremendous strength coming through from the younger ranks. We invested in new boards and beach equipment specifically for these age groups and it is wonderful to see some club legends as Age Managers and their children starting their own surf club adventures.

Club Championships were introduced and all age groups were included which was tremendous fun for everyone – and very competitive for some. This replaced the weekly point score in an effort to relax the Nippers experience for the majority. Added to the fun days that we ran after each carnival and the twilight nippers it was a grand mixture of fun and learning. Very challenging for the Age Managers to make it all work but they adapted magnificently. Mixing the age groups for the fun days was an awesome experience for the U6/7/8's to be teamed up with the U12/13/14's.

Thanks for all those that helped run the days, it was learn as you go and we came through mainly unscathed.

The Christmas party was started later in the day to bring more of a social feel and was the usual blood, sweat, tears and laughter with a lot of coloured dye thrown in for good measure. Probably one of the more enjoyable days on the beach. Santa arrived and treated all kids, naughty and nice, and parents relaxed and enjoyed the atmosphere with a few lemonades.

Aussie Bob with U6 Boys

Cake stall looks good

Cheeky monkeys

D'Arty and Oron

Karin, John, Katie and Penny

From the board training sessions starting in September and running throughout the season, fourteen nipper weekends on the beach at Avoca starting in October, three local carnivals where we competed strongly and won a couple, Branch carnival which was held at Copa and we WON (Yay! Branch Champions), through to State on the 1st weekend of March which was held at Swansea Belmont and the seven month season was over in a blink of an eye.

Thank you to Joe Murray, Jason Lauder, Andrew Duerden, Sharon Brierty and Garry Clarke who once again had the task of training the kids SRC and Bronze Medallion courses, not easy with such large groups.

Some legendary families have had their last nipper involvement this season, can't thank them enough for their continued support throughout the many, many years, they are the McQueen's, Hutchinson's and Benson's.

Lastly thank you to the Committee, Age Managers and all the weekly volunteers and helpers. It has been a fantastic season that seemed to go on for many, many months but then was suddenly over before we knew it. Lots of meetings, lots of smiles and lots of happy nippers and parents, thank you.

John Macdonald, Junior Activities Chairman

Sharkies

It was another great season for the sharkies. Our core group once again returned and we had some new families join the program as well.

All of our sharkies have continued to grow in confidence in the water thanks to the amazing support from our dedicated volunteers.

Highlights for the season included sending a team to the Inaugural Branch Inclusive Nipper Championships, as well as representing Avoca in the State Inclusive Nipper Titles.

We were lucky enough to have the 7.30 Report from the ABC do a story on our program as well, and showcase the skills our superstars have developed.

JUNIOR ACTIVITIES cont.

Once again a huge thank you to our volunteers who continue to make inclusive Nippers a success. We are always looking for helpers, if you think you can lend a hand next season please contact the club.

We look forward to getting back in the beach next season.

Kate Broadhurst, Sharkies Coordinator

Executive Committee 2019/2020 Season

President John Macdonald

Vice President Penny Crocker

Secretary Kate Craik

Registrar Jaci Tebb

Treasurer Dave Ireland

Competition Secretary Carin Williams

Gear Steward Pete Craik

The last, last big THANK YOU to all the coaches that give up a tremendous amount of their time to train the Nippers and junior movement of the club. We say thank you but it never seems quite enough, it really is appreciated.
